

Modified Visitor Policy

To Prevent the Spread of Emerging Respiratory Illness

To protect the health and safety of our patients, staff and visitors we ask that you observe the following:

- If you are here to be seen as a patient and you or a close personal contact have been outside the US in the past 14 days, or have had contact with someone who has traveled to an area within the US with known Coronavirus→ **IMMEDIATELY NOTIFY RECEPTION OR SCHEDULING**
- If you have flu-like symptoms you will be required to wear a mask.
- No one under the age of 18 is permitted to visit or wait in the public areas, unless being seen as a patient.
- We are limiting visitors to only one person per patient and we ask all others to leave the campus.
 - Visitors exhibiting flu symptoms: runny nose, fever, cough- are NOT permitted to visit hospital patients.
- We do not provide Coronavirus testing by request. Testing is only done by direction of the public health department or your physician.

Thank you for partnering with us to protect our patients and our community!
