Modified Visitor Policy
Effective 6/5/2020

To Prevent the Spread of COVID-19

To protect the health and safety of our patients and staff we ask that you observe the following:

- **ONE visitor per patient is permitted to enter the facility.**
- All patients and visitors will be screened for presence of COVID-19 symptoms.
- All patients and visitors entering hospital will be required to wear a mask.
- No one under the age of 18 is permitted to wait in the public areas, unless being seen as a patient.
- We do not provide Coronavirus testing by request. Testing is only done by direction of the public health department or your physician.

Thank you for partnering with us to protect our patients and our community!
