

Vaccines for Covid-19 are now available at Community Medical Clinic's FastCare and the Community Medical Clinic of Pana.

No appointment is needed at CMC FastCare.

Hours are: Monday-Friday 7:00am-7:00pm and 10:00am-4:00pm on Saturdays, Sundays and holidays.

Established patients of Community Medical Clinic may make an appointment to receive the vaccine at the Pana office location by calling 217-562-2544.

Currently Moderna and J & J vaccines are available and offered to anyone ages 16 and over at both Community Medical Clinic and CMC FastCare. For individuals ages 12-15, vaccines can be obtained by scheduling an appointment with the Christian County Health Department or Walgreens.
